The view taken by Secretary, Home Department is correct. The fact that even when the brakes were applied the vehicle did not stop shows that there was something wrong with the vehicle and Government would be liable for the damage caused to the vehicle of Shri. Gokhale. Government may therefore settle the claim.

As the Tractor cum Mac Transporter was being operated for Government works and had nothing to do with the work of the Contractor, Government will be liable to pay compensation to the sufferers in the accident.
